Wheeling this season is something immense. One dealer, Alex. Durst, of Market street, tells us he handles from one hundred to one hundred and fifty buckets every morning. INDIVIDUAL POINTS.

was very little interest manifested, and the billiard tables drew more interested crowds of spectators than the auction van in the other end.

Clator and his trainer, Jimmy Manton, came up town early in the evening and remained quite a while. Clator is looking well, although he surprised the Pittsburghers and other strangers by his exceedingly slight physique, and—at first sight—forbidding appearance. He is a tail, slender young man with a very good countenance and pleasing address, although he is reserve itself in manner. He greeted our resporter very cordially but said "that all the newspaper men gave him rackets." Mr. John E. Dry left yesterday for a fortnight's visit to Waynesburg.

A. J. Halstsad, of the Journal, returned from the National Capital last night.

R. G. Ball, representing the Barnum and London shows, is at the McLure. Col. James Randolph, Chief Enginee. 3. & O. R. R., accompanied by his wife, is W. A. Cracraft, Chief Clerk at the And-

itor's office, has returned from Green county, Pa. ounty, Pa.

Mrs. Mary Kelley and daughter, of Bos on, are visiting Mrs. Lavinia Travis in

He greeted our reporter very cordially but said "that all the newspaper men gave him racketa."

Buttonholing Jimmy Manton we saked him how Eddie was feeling and at what weight he would row on the morrow.

"Well, he is all right, and will row at 158-or rather he weighs that now with his cloftes on. He takes to training very well, and is easy to handle," said Jim, punctuating his sentence by kicking a street Arab into the gutter who was amoking a "stump" and blowing its ville (nome into the face of Clator. "He took quite a dash in the river to-night just before dark, and I think is in very fair South Wheeling.

Mrs. Lee and daughter, who have been visiting Mrs. Frank Hearne at Bellview, left for the West yesterday.

Harry Schwalb, of the Leader, Sam Carothers, of the McKeesport Times, and Mr. Davis, of the Pittsburgh Times, are at the McLure.

The McLure.

Captain J. B. Kennedy, Hempfield mail agent, leaves to increased agent, leaves to increase for Gettysburg, to attend the Grand Army rennion. Col. Buck Hall will act in his absence.

Mr. and Mrs. George Newman will sail July 21st, on the beautiful steamer Science to New Matamoras, Ohio, on a few days' vacation in Ohio for a pleasure trip.

Mr. L. D. Williams, of the Island, took his family to Burr's Mills, Belmont country, Ohio, yesterday, to spend several weeks in "What kind of a boat will you row, Mr. Boll?" queried our man.

trip.

Mr. L. D. Williams, of the Island, took his family to Burr's Mills, Belmont county, Ohlo, yesterday, to spend saveral weeks in the embracing air of the "sun kiesed hills." the embracing air of the "sob kissed nills." Burr's Mills, by the way, is becoming quite a popular summer resort. The fam-ily of F. S. Satterfield, Eq., Assistant Manager of the Baltimore & Ohio Com-pany, at this point, are also sojourning there, besides about a score of families from Bellaire and other points.

preciation from a signmend Friend.

The Richmond Dispatch of Tuesday has the following article which we feel sure will be read with interest by the many friends of the subject in this city and vicinity:

Rev. J. G. Armstrong, D. D., rector of Monumental Church. will sail from New York to-morrow in the Batavia. At the Monumental Church will sail from New York to-morrow in the Batavia. At the Monumental Church on Sunday morning just before the Holy Communion was administered after morning services, Mr. Armstrongsaid: "Some weeks ago I received the following communication;"

Rev. J. G. Armstrong:

That there is a pliot. I shall try a fly in the morning."

"What will your colors be?"

"Red, white and blue. I shall wear a red kerchisf shout my head, a white shirt and blue trunks. My flags will be red and white. My judges will be red and white. My judges will be Julian Kennedy, starter, and probably Mr. White and my brother at the lower buoy."

Clator's judges are Billy Humes, at the Sam Brown at the lower buoy. His colors will be a blue cap, flesh-colored shirt and blue trunks, with blue flags.

SPRUCE SPRAYS.

That there is a pliot. I shall try a fly in the morning."

"What will your colors be?"

"Red, white and blue. I shall wear a red kerchisf shout my head, as white shirt and blue trunks. My flags will be red and white. My judges will be Julian Kennedy, starter, and probably Mr. White and my brother at the lower buoy."

Clator's judges are Billy Humes, at the Sam Brown at the lower buoy. His colors will be a blue cap, flesh-colored shirt and blue trunks, with blue flags.

"R

Rev. J. G. Armstrong:

My DEAR Sir:—On behalf of a few of your many friends in the Monumental congregation, I am directed to tender you a ticket from Richmond to Liverpool and a fine from the first from the firs congregation, I am directed to tender you a ticket from Riehmond to Liverpool and return, with the hope that you will sceept and use the same. If you enjoy the trip half as might as we do in tendering it to you, then indeed you will have a pleasant trip across the old ocean. Hoping you will accept our offer, and wishing you a very safe and pleasant voyage to Europe and return; I am, my dear sir, your obedient servant, "Thomas Porra. "Of course," said Mr. Armstrong, "I have accepted that offer, and I beg to assure you that I have done so with profound thanks to you who have made this offer, and with singere thanks to all whe have been so generous to me. It has been but a short time—now about three years—since you made me rector of Monumental church, and it is indeed a kind and generous thing to make such an offer. The Inherent kindness of the act itself fairpresses me, and I shall go with a deep and profound sense of your, kindly affection. I shall return about the middle or class of September, and resume our work in order that we may be fully at work in order that we may be fully at work in order that we may be fully at work in order that we may be fully at work by the late of October. I am very sure that I shall be the subject of your prayers as I am the object of the kindness of my people, and I sincerely trust that the arms of God's protection will be round you, that no sorrows, no troubles, and no deaths will enter any of our families. Again I tender you my most cordial.

deaths will enter any of our families.
Again 1 tender you my most cordial
thanks for the great privilege of the dicket
by which I go to Liverpool and return."

A Boctul Benngal,

scandal in their midst, and the old
women, and the middle-aged women and
all the females in that locality are exercised about it, for it is no ordinary
overy-day scandsl, but an uniansi one,
and it is a decided nort of a sensation—
one that will be transmitted as access.

THE SECOND WARD HARKET.

o-day's Boat Bace and the Men Who

Betting, Conjectures, &c. on the Race, Bolt's Arrival Last Night and Bis Spica-

To-day is the time fixed for the great

race between Boli, of Port Perry, Pa.

and Clator, of this city, and the public

mind will not rest easy until after it is

night, very little excitement over the mat

ter, but this fact, is attributable to the ab

sence of Boli, who never put in an appea

ance until last night.

Clator has been quietly and effectively at work, and will do something to day that we predict will astonish his friends. Said one of the best oarsmen in this country to us the other day: "I think there is more outcome in Ed Clator than any man in America, and I believe he can best anything in the West to-day." His friends and backe a are very cautious in their talk about him, but there is that sarenely confident air about them that is a true indication of their feelings.

the streets since the November election, and the excitement around the McLure

House and Helmbright's billiard rooms

last night was intense. Whenever Boli appeared at all he was the centre figure of

a large crowd, and his gigantic form tow-

ered above the rest of the crowd, like Barnum's Chinese giant over a group of

average Mongolians. At the billiard room,

pool selling went on very sluggishly, and although there was a large crowd, there

was very little interest manifested, and

At this juncture Harry Schwalb, of the

"What kind of a boat will you row, hr. Boll?" queried our man.
"I shall row in a paper shell, made by E. Waters & Son, of Troy, N. Y. It is 30 feet long and 12 inches broad. I have never rowed a race in it."
"When have you have

"Where have you been keeping yourself for the last fortnight?"
"Well, I have been up at Port Perry and around Pittsburgh until last night.

that Wheeling men were waiting until this morning for odds. There will be a

this morning for odds. There will be a large excursion train in at noon from Pitteburgh, on which will be a great number of sporting men, "and for these we are waiting," said our man.

At Helmbright's several hundred dollars worth of pools were sold even. This morning pool selling will continue at both places, and also at one o'clock, while in the evening it will go on a the grounds.

THE COURSE.

The race will be rowed over the "lower"

ance until last night.

Just as the early street car was going ver to Bridgeport yesterday morning the reporter "tackled" the Second ward mar

Huckleberries were also "conspicuous their absence," as was once remarked Jake Kemple who was out of town on

big bunches of onions for ten cents, reminding the scribe of those pointed words from Chaucer:

To break the heart's eujoyments, More tander e'entran tunions. You only have to spend a dime and get three bunches of onless.

t twelve and a half and filteen cents

in the market, and sold them at twenty-five cente a quart.

Hanover turnips, as big as a small child's head, were offered at flye cents per bunch. Cucumbers to enty-five to thirty cents a dosen. Paraley one cent a bunch. Rhubarb three bunches for five cents.

Some fine early applies from Zane's or-chard brought readily fifty cents a peck. The dealer said he expected to get the same price next week.

The dealer said he expected to get the same price next week.

There was only one lot of peaches in market. They were grown down at Moundaville, and were about the size of a small knothole. Price 20c a quart basket.

"And how is the grop of peaches, Major?"

"Well, down around Moundaville they don't amount to much."

Pears, which must have squeezed their own seeds pretty tight, were disposed of

own seeds pretty tight, were disposed of by their owner without any visible effect of poignant regret at 15cs quarter peck.

Some black currants, which plenty of people thought were buckleberries with

people thought were huckleberries with the stems on, brought 15c a quart. North Carolins watermelons, or campmeeting bread, were on eale at one place, and brought a quarter each.

The butter and rgg market was rather small. Butter in crock and roll sold yari-ously at 15. 18 and 20 cents, according to quality. The reporter struck one lot, sam-pled it with a knife, instead of the cus-tomary thumb nail, and asked.

"Is this butter guaranteed to run a three or four horse power engine? Why don't you send a sample to some fellow in the

or four horse power engine? Why don't you send a sample to some fellow in the east who owns a canal? Don't you think that this butter, my dear sir, would do well in some section of the country where there are a jot of lopust stumps to pull out? And—."

But here a lady who keeps a boarding house appeared and cut short the conversation.

Eggs ranged from 15 to 18 cents a dozen

which he immediately adjourned, to the great financial loss of his exteemed and worthy landlady.

BELLAIRE.

Personal and Police Points, erat Joitings, Rev. Dr. Marshall W. Tay was in town Wednesday. W. Taylor, D. D. Miss Myers, daughter of David Myers, s very low with diphtheria. "Beans are very chesp this morning," remarked the first vegetarian encountered, "ten cents a half-peck."
"And you throw in a shooter?"
"There is more corn in market this morning than on Saturday last?"
"Well, not so all fired much more than you would think," rather ambiguously stated a gente follower of the plow, who was encountered further on. "I'm selling for 18 cents a dosen, and wish I had more. Vegetable truck is not any plantifuller."

Mears McGregor and Klotz spent
Wedge fishing on Captina.

James Fitton's family moved to his
house at the Burr's Mills camp ground,
Monday. Mr. Robinson is moving into his necouse on Thirty-eighth street, Horn addition.

Addition.

The thirteen-pot gas furnace at the Ohio Glase Works began running on full time Monday evening.

The steamer Andes took on quite a large lot of glassware at this point on her way down Tuesday night.

A child of a Mr. Brown, who has been living in Bellaire but a short time, on Gravel Hill, died Tuesday night.

The Mayor has under adjustment the

The Mayor has under advisement the matter of a stair way to the new National bank building, on Belmont street. The Winebrennerian Church will have a featival at the Pittsburgh coal works Phuraday evening, and, if the patronage ustifies it, the featival will be continued.

for 18 cents a dosen, and wish I had more. Vegetable truck is not any plentifuler than it ought to be this summer. The crop is short, sure as you live."
"Apples is scarce, and don't you forget it." The grammatical information quoted being given along with the fact that the speaker was selling his fruit at 40 cents a peck. The person referred to was evidently a huckster, because he alluded to growers as his authority, and afterwards supplemented his remark by a saving cisuse, but somewhat uncomplimentary to our country friends, that, "you cas't always tell about what these orchard fellows asy." Mr. Ed. Kinney, an old Bellaire boy, and one who is a credit to his former nome, is in the city after quite a long absence. Ed. is "snatching lightning" at shelby, Ohio, now.

always tell about what these orchard fellows asy."
The potatoes in market vesterday were
abundant, of generous size and evident
good quality. The general quotation was
"25c a peck or 15c a half." Cabbage
rated from 5 to 16 cents according to size
and solidity. It is a matter worthy of remark that the pernicious and fraudulent
habit of eastern cabbage dealers introducing straws into the heads and blowing a
five cent size into a fitteen cent head has
never in a single instance been done in
this market.
For ten cents you could buy three Shelby, Ohio, now.

Andilor Coffland, O. J. Swaney, Esq., and Col. J. F. Charlesworth, of St. Clairs-ville, were in the city yesterday. Their visit presumably concerned the matter of delegates to the Democratic judicial convention. vention.

this market.
For ten cents you could buy three bunches of beets that would take a keg of vinegar to pickle them.
Blackberries were "as plenty as blackberries" and went off lively at ten cents a quarter three quaris for a quarter. There were but few "raspherries in the market. The reds sold for 20 a quart or three for 50c; no black or Gregg berries were seen. Huckberries were sign "conspicuous by As the Baltimore & Ohio Company re As the Battmore & Ohio Company re-fuses to lower its track at Belmont street for a bridge there, the Council has deter-mined to make the company repair the Union street bridge. It is to be hoped the sidewalks on it will be widened.

Our policemen have been changed around considerably. Officer Lynsky has been removed, and Wm. Drugan transferred from the Third ward to Lynsky's place Henry Negle has been put in Drugan's place and Henry Kemple into Turner's place in the Fourth ward. Jake Kemple who was out of town on an occasion when a business establishment here was dedicated with a free lunch.

People who imagine that old tomato cans are il: for nothing but to decorate the terminus of the family pup, are hereby called to the fact that they are utilized each market morning by a tassied suburban.

market morning by a tasteful suburban who sells bouquets out of them at the rate of ten cents each. And speaking of this morning, to witness the ceremony which joined Will Deegan and Miss Anna Kinof ten cents each. And speaking of this variety of cans reminds the reporter of a quotation given him on tomatoes by the bushel. The same being \$3. This health, ful vegetable, whose beneficent effects on the liver are pretty well understood, may retain their present financial attitude for a week or two to come. This opinion is second hand, the author of it saying that "greatything depended on the weeker." ney together for life. The young couple begin their married life under fair au-pices, and they have the congratulations and hearty well wishes of hosts of

Those who take the most interest in the Those who take the most interest in the election of our city officers are the very ones who should be allowed to have the least voice in the matter, but it is natural that those who have to frequently appear before the Mayor, or come into the hands of the police, should take more interest in the selection of those officers than the citizens who behave themselves, all of which means that our municipal afairs are not under the control of our substaneverything depended on the weather,"

A chaste malden was seen buying three are not under the control of our substan

And get three bunches of calcas.

For the first time in the experience of the market reporter he yesterday saw a tin quart measure used for selling berries. A number of purchasers were so be eved to look at the measure curiously and a good many invested in the fruit.

The pretty girl with the brown eyes said that the market was only "medium," "Not much stuff in. ch?" Liebig Company's Coea Beef Toule.

Professor E. M. Hale, author Materia Medica New Remedies, Professor at Chicago Medical College, recommends Coca for bad taste in the mouth, furred and coated tongue, dryness of the mouth on waking, debility of the digestive organs, colic, coastipation, ineffectual urging to stool, and fiatulency. It is superior to any tonic I have used or prescribed, says Professor Hale. Beware of worthless imitations. "Not much stuff in, eh?"
"Yes, plenty of that, but buyers are not as plenty as they might be."
"What's the reason you ask twenty
cents a dozen for corn when others sell it dozen?"
"Why, just compare it and you'll see."
and the fact is that the ears were much
larger and the corn, as she said, "guaranteed to be of the genuine sugar variety."
She also had Lima beans, the only ones
in the market, and sold them at twentyfive cents a cuart.

Poors on the boat race will be sold at C. A. Helmbright's billiard hall this morning at 10 o'clock. Go to the Concert at Mason's Garden, 1207 Main street, to-night. Music by the Wheeling City Band.
